C6A Keystone Jack (Part No KSJ-00079)

DIN 49075 Fascia and Bezel 50 X 50mm unloaded. (Part No. WNC-00052-02)

Terminate the Keystone Jack (KSJ-00079) by following the cable colour coding instructions provided with the jack.

Once terminated, rotate the C6A Keystone Jack so that the RJ45 key latch points upwards as shown in figure 3.

Figure 3

Snap the small metal jack seating latch into the fascia first and then snap the large white seating latch into the bottom of the fascia a shown in figure 4.

Large white jack seating latch

Figure 4.

Screw the Fascia to the back box, and then snap the Bezel over the Fascia figure 5.
